

# BIH Digital Health – Updates March 2022

Dear digital health community at BIH, Charité, MDC, and in Berlin,

We had some stormy days over the past weeks. The days get longer, and hope winter is almost over blossoming. With this newsletter, we like to lighten up the gloomy days by sharing interesting events, calls, podcasts, articles, etc. All suggestions are related as usual to digital health, as we try to keep you updated with what is going on in the field until we can mingle on in-person events again.
