

BIH Digital Health Forum Updates November 2022

Dear Digital Health-Community at BIH, Charité, MDC, and in Berlin,

It has been quite a busy October, so November is starting a little calmer. But we, Digital Labs, have exciting news to share with everyone who wants to bring their solutions to patients and into healthcare systems: **Our new Digital Health Call is open for application!** Enjoy this month's newsletter and we hope to see you at some of the upcoming events.

BIH Digital Health Accelerator Call 2022/23 is open and everyone with a Digital Health solution idea, or a prototype, and the aim to bring it to patients and into healthcare systems, can apply until **November 21, 2022**. The application process is quite lean. Learn more about the call, and find out if you are eligible [here](#).

Online Events

Siemens Healthineers Shape 23 Keynote

Event date: Nov 14, 2022, at 4:00 pm (CET)

[This event](#) hosted by CEO Bernd Montag, the Keynote will focus on breakthroughs in crucial healthcare areas. Renowned healthcare industry leaders will present their ideas and discuss three of our greatest challenges: How can we improve cancer care? How can we deliver high-quality care to more patients? How can we address the workforce crisis?

In-Person Events

BIH Charité Digital Labs, AWS, Earlybird, Bayer and GE cordially invite you to their new Series | Digital Health Cocktail Hour

Event Date: Nov 18, 2022, 6:00 pm (CET), AI Campus Berlin

Topic: **Who is your customer?**

[This event](#) brings together founders, VCs, and clinical innovators in the heart of Berlin. This second edition poses digital health companies the question: "Who is your customer?" and explores how to get startup products deployed in hospitals and clinical settings.

Healthcare and Biomedical Networking Mixer – Singapore Edition

Event Date: Nov 18, 2022, 3-6 pm am (CET)

[Join this event](#), organized by our ecosystem partner German Entrepreneurship, and discover the latest biomedical trends in Singapore, and what AI means to healthcare, and exchange ideas with like-minded companies (including healthcare companies from the Scaler8 program), medical manufacturers, and ecosystem players.

15th European Public Health Conference 2022

Event Date: November 9-12, 2022, Berlin

[The event](#) will focus this year on strengthening health systems: Improving population health and being prepared for the unexpected. The conference is hosted next to the EUPHA by the TUB.

Digital Health Conference Berlin (German)

Event Date: November 30, 2022, Kosmos Berlin

The [Digital Health Conference](#) will discuss all important matters referring to the digitalization of healthcare. Main players and future KOLs will be there to share their ideas and visions on topics such as digital platforms, AI in medical products, startups, etc.

Recommended Podcasts and Articles

The Heart of Healthcare with Halle Tecco

[This podcast](#) expands the traditional lens of what we think of as “healthcare” by exploring the social determinants of health, including our food system, housing, climate change, and more. Check out the new episodes of the podcast series, such as Meet the [“Erin Brockovich of Sewage”](#) and [Mark Cuban on Starting an Online Pharmacy](#) those present interesting insights into new challenges for Digital Health start-ups in our times.
